Dear Chair DeLauro and Ranking Member Granger:

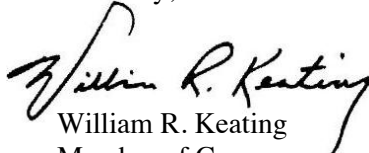

I am requesting \$1,000,000 in fiscal year 2023 community project funding for “**Adult & Community Education Martha's Vineyard**” located in Oak Bluffs, MA. The entity to receive funding is Bristol Community College with offices located at 777 Elsbree St, Fall River, MA 02720.

This project, which has garnered early private donor support, will provide Martha’s Vineyard high school graduates and adult learners with relevant workforce education as well as new access to in-person community college credits with Bristol Community College.

This funding is a good use of taxpayer dollars because it will provide access to skills training, equipment, programming, and infrastructure for learning for the more than 20,000 residents living on the island of Martha’s Vineyard.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

William R. Keating
Member of Congress
